

Information for Advertisers and Agencies

If supplying changes or new details for an advert, please note:

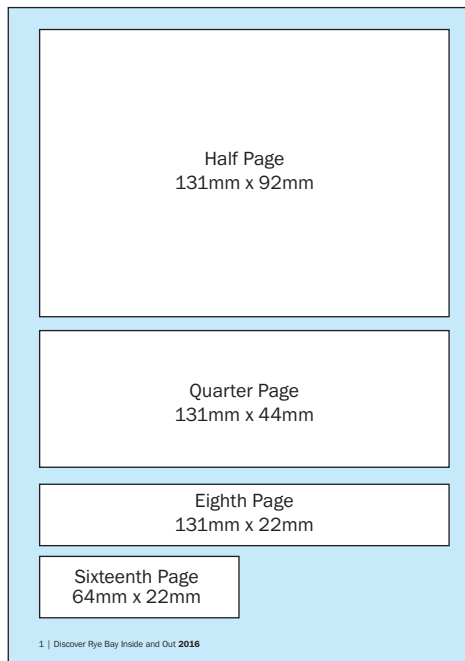

Pictures: We can accept Press-Ready PDF, EPS or 300dpi JPEG files for photos and logos. We can also scan original photos (please send with your completed form). Please don't send website images as these are generally not good enough quality for print. Please send any images to advertising@visitryebay.com.

Wording: Please email wording to advertising@visitryebay.com or attach to this form. Please take into consideration the word count mentioned on previous page.

For any advertising queries please contact us at: advertising@visitryebay.com

Hi Everybody,

We hope that you are all keeping well and that business is buoyant, despite the challenging economic climate.

It's that time of the year again when we get to grips with producing, what is this year, the 2016 Discover Rye Bay printed Guide. This will be the 5th Rye Bay Guide that Rye Bay Marketing Limited will have produced on behalf of the businesses in the area.

Below are just some of the compelling reasons for supporting the publication.

1. 130,000 print run.
2. Every advert includes full entry on the visitryebay.com website which attracts approx 1000 hits per day and is fully responsive which allows it to work on mobile devices.
3. Advertising prices are being held for the 4th year due to savings we have managed to make in printing and distribution and production. We also can design and typeset your advert for FREE.
4. We are more than happy to accept payment by instalments, see rate card for details.
5. This is the only printed Guide being produced for our very special area.
6. The Guide represents amazing value for money. As an example anybody taking a quarter page advertisement at the rack rate of £310 is purchasing entry to 425 Guides for just £1.
7. Any profits from the Guide are reinvested into other marketing initiatives for the Rye Bay area. No public funds are received for the production of the Rye Bay Guide.
8. The Guide and website are supported by Twitter and Facebook accounts and we even have our own mobile App.
9. There is a huge amount of interesting and informative editorial to entice visitors not only to come to the area but also to stay.
10. We also promote the area and distribute Guides to hundreds of Group Travel organisations.
11. The Guide is also distributed at various Trade Shows where the Directors of Rye Bay Marketing Limited are also in attendance to promote the area.
12. Rye Bay Marketing continue to focus on bringing out of area footfall to the area and attracting new business to Rye Bay.

Lastly, we would like to take this opportunity to wish you all the best for the coming months and look forward to hearing from you.

And, don't forget, this publication is produced by local people for local people, the Directors of Rye Bay Marketing are always open to your feedback and suggestions to help improve not only this publication but also our collective mindshare.

Kind regards,

On behalf of the Directors of Rye Bay Marketing Limited.
